In the following paragraphs, "you" or "I" refers to the Buyer(s) signing below.

Pursuant to the Retail Installment Sales Contract (the "Contract") that I signed in connection with the purchase of the above-described vehicle (the "Vehicle"), dated the same date or an earlier date as this GPS Disclosure and Agreement for Installation (this "Agreement"), I understand that the Vehicle I am purchasing is or will be equipped with a GLOBAL POSITIONING SYSTEM (GPS) ELECTRONIC DEVICE (the "Device"). THE DEVICE INCLUDES A GPS TRACKING UNIT THAT CAN DETERMINE AT ANY TIME WHERE MY VEHICLE IS LOCATED. This Device will not be used to determine my driving habits or practices (e.g. speeding) but may be randomly activated to ensure the Device is still functioning. Greater Access Financial or its designated assignee or representative will not provide any access to or record of the tracking unless required to do so by law, or to enforce any rights Greater Access Financial or its designated assignee or representative may have to secure possession of the Vehicle as allowed. The Device DOES NOT include an electronic timer or other mechanism to disable the Vehicle. If I am in DEFAULT of the Contract, Greater Access Financial may track the location of the vehicle in order to repossess it if allowed by law.

PLEASE READ AND SIGN BELOW TO INDICATE YOUR UNDERSTANDING AND ACCEPTANCE OF THE FOLLOWING TERMS REGARDING THE INSTALLATION OF THE DEVICE:

1. I understand that installation of the Device in the Vehicle is a material condition for Greater Access Financial to finance the purchase of the Vehicle. I further understand that I may be able to obtain alternate financing that may not require installation of such a Device, but I choose to accept financing with Greater Access Financial and I consent to having the Device installed in the Vehicle.

2. I understand if the Device is not already installed in the Vehicle, I will provide access for Greater Access Financial or its designated assignee or representative to install the Device.

I agree that I have no right to privacy regarding the use of the GPS device to track the location of the vehicle, but in the event that a court, arbitrator, dispute resolution organization or state or federal authority should determine that such a right exists, I hereby waive such right to the fullest extent possible.
